

Let's see how well you follow instructions.

1. Print the word INSTRUCTIONS.
2. Cross out the second and eight letters.
3. Exchange the second and fourth letters.
4. Change every third letter to "E."
5. Cross out the last two letters.
6. Insert "D" before the first letter and "S" after the last letter.
7. Insert "N" between the last and the next-to-last letters.
8. Change the fifth letter to "C" and the seventh letter to "T."
9. Cross out the sixth letter.

What word do you have now?

*Answer: directions*
