

# Inventing Flowers

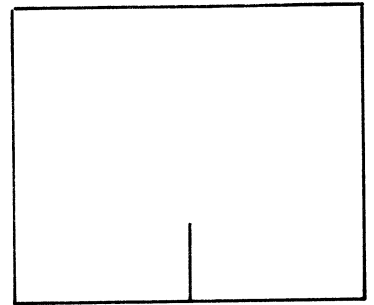

How are you at inventing flowers? In this activity, you will design nine different kinds. Follow the directions beneath each box and make your flowers just as interesting as you can. Remember, these are new types of flowers no one has ever seen before!

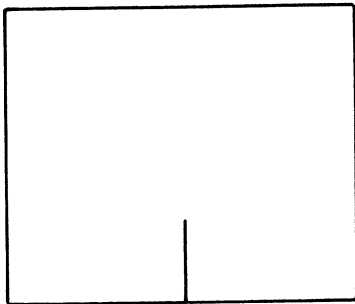

A flower made of little triangles.  $\triangle$

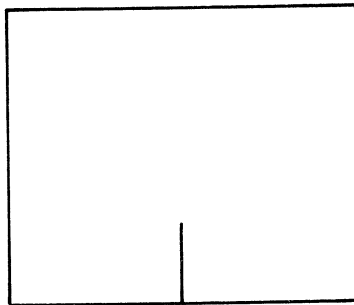

A flower made of little circles.  $\bigcirc$

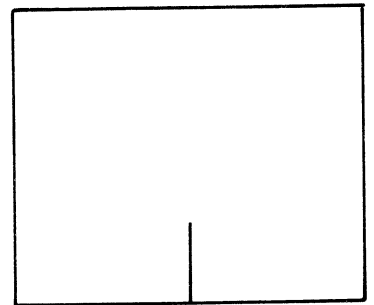

A flower made of little dashes. / | \

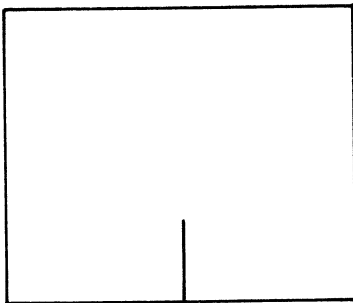

A flower made of little scribbles.
