

ATTENTION INVENTION CONVENTION & SCIENCE FAIR PARTICIPANTS

The Ellen DeGeneres Show is looking for creative kid inventors. If you have an invention you would like to share, please send a 2-3 minute home video tape- nothing fancy- to:

Alissa Cote
The Ellen DeGeneres Show
3000 West Alameda Avenue
Burbank, CA 91523
818-260-5584

Specifications:

- 2-3 minute home video tape on VHS
- Child must speak on their own... parents should not be on tape
- Child should look into the camera and say their name, age, and where they are from
- Child must show how their invention works and talk about it

It does not matter when the convention/fair might be because **we are always accepting tapes.**

Thank you for your participation.
Happy inventing and have a great day!

* These tapes are just for the staff to watch. Nothing will air on TV without permission.
