

Section 15 Marketplace for Kids Network

Marketplace for Kids is measured by participation in the program. Regional Leadership Teams consisting of teachers, administrators, youth advisors, students, parents, information technology and business leaders, vocational and technical education staff, local, state and federal agencies, and the Marketplace for Kids Network organizations are interviewed and surveyed for their views and opinions.

Interview and survey results are shared with Marketplace for Kids partners and organizing sponsors.

Marketplace for Kids collaborates with the following organizations:
