

It's time to work on your projects!

Marketplace for

Educating Emerging Entrepreneurs

Use your creativity
& imagination!

Yes, you can invent or start a business...you can be an entrepreneur!

Step 1 THINK IT

Brainstorming/creative problem solving is thinking up new ideas. Begin your idea log or journal **NOW**.

Step 2 DEVELOP IT

Once you've decided on your best idea, it's time to start developing your business plan or prototype. Don't forget, every day and every step of the way, write what you've done in your idea log or journal. Include drawings and sketches of your idea.

Step 3 BUILD IT

Make your idea into a prototype, model, or sample of your product.

Step 4 DISPLAY IT

Prepare your display following this example:

Step 5 SHOWCASE IT

Present your completed project at a Marketplace for Kids Education Day.
