

PRE-REGISTRATION INFORMATION
REGION 6 MARKETPLACE FOR KIDS EDUCATION DAY
FRIDAY, MAY 7, 2010, 9:15 A.M. – 2:00 P.M.
JAMESTOWN COLLEGE, JAMESTOWN, ND
Please submit your registration by Thursday, April 22, 2010
to be included in the Education Day Guide

Step 1:	<p>Gather Information.</p> <p>--We will need the total number of students, projects, and chaperones attending, and your lunch plans.</p> <p>--We will also need parental approval for your project students to be included in any Marketplace for Kids video production. At random, we select project students to be interviewed. These interviews will be on our website and DVD following the Education Day.</p> <p>--If two or more teachers are working together, and have students from different classrooms doing projects together, or grouped together, please register as ONE classroom and provide us with both teacher names.</p>
Step 2:	<p>Group your students in groups of eight or less.</p> <p>Each group will have the <u>SAME</u> schedule. Project students <u>cannot</u> be grouped with non-project students, as they will have different schedules.</p>
Step 3:	<p>Distribute the Marketplace for Kids class offerings to each student group.</p> <p>A list of the class offerings for your Education Day is included in this kit. Each student group should select the six classes they are most interested in attending, and put them in order of preference using the class letter (i.e., D, A, F, Z, P, G). If class information is not received, your students will be assigned classes at random. We will do everything possible to make sure your students receive at least 2 of their 6 choices.</p>
Step 4:	<p>Complete Registration Forms (MAKE COPIES OF THESE FORMS AS NEEDED.) <i>PLEASE NOTE: All forms <u>MUST</u> be completed before your registration can be processed. Registrations will be processed in a first in basis. You may complete your registration using the attached forms, or online at www.MarketplaceForKids.org!</i></p> <p>PART 1: CLASS/GROUP REGISTRATION FORM This form provides us with general information about you, your classroom, your school, and lunch plans. Please provide us with your complete mailing address and contact information, <u>including email</u>. We may have questions on your registration and will need to contact you. <i>If we have any last minute/urgent information, it will be sent via email!</i></p> <p>PART 2: STUDENT GROUPS WITHOUT PROJECTS REGISTRATION FORM Use this form for your student groups that <u>are not</u> showcasing a project. This form provides us with your students' names, how you would like them grouped, and the class choices for each group. Please fill in the first and last name for each student, by group, along with each groups' six class choices, in order of preference.</p> <p>PART 3: STUDENT GROUPS WITH PROJECTS REGISTRATION FORM Use this form for your student groups that <u>are</u> showcasing a project. This form provides us with your students' names, how you would like them grouped, and the class choices for each group. Please fill in the first and last name for each student and their project name, by group, along with each groups' six class choices, in order of preference.</p> <p>PART 4: PROJECT REGISTRATION FORM This form is to be completed for <u>EACH PROJECT</u> from your classroom. This is a good task for your project students to complete. Please make sure all information is complete, legible, and written in black ink, not pencil. The <u>MOST IMPORTANT</u> things for us to know are if the project needs more than 4 feet of space and if it requires electricity.</p>
STEP 5:	<p>Review all registration forms and mail or fax to: Marketplace for Kids, 210 North 4th Street, Bismarck, ND 58501, Fax: 701-663-1032 You may also complete your registration online at www.MarketplaceForKids.org!</p>
REGISTRATION MATERIALS:	<p>--Marketplace for Kids will prepare a name badge (complete with their schedule) for each student, teacher and chaperone. The badges, along with your groups' schedules, chaperone packets, report cards, and other information will be mailed to the address you provide prior to the Education Day.</p> <p>--Late registrations will receive an email with their schedule prior to the Education Day, and their badges, etc. when they arrive at the Education Day.</p> <p>--We will have Education Day Guides, pencils, and bags for each student when you arrive at your Education Day. Please be sure to pick them up when you arrive!</p>
QUESTIONS?	<p align="center"><i>We want your registration to run smoothly, and are here to help you!</i></p> <p>Please let us know about any special needs/ADA requirements you may have in your classroom. If you have any questions, please contact Renee at 888-384-8410 (toll free), 701-663-0150, or via email at marketplace6@btinet.net. Thank you! See you at Marketplace for Kids!</p>

REGION 6 MARKETPLACE FOR KIDS EDUCATION DAY
FRIDAY, MAY 7, 2010, 9:15 A.M. – 2:00 P.M.
JAMESTOWN COLLEGE, JAMESTOWN, ND
General Schedule of the Education Day

A personalized schedule for each student will be printed on their name badge.

9:15 – 9:30 am	Pre-Opening Music	11:35 a.m.	Project Hall Official Opening & Ribbon Cutting Ceremony
9:30 – 9:50 am	Attend Opening Rally

10:35 – 11:00 am	Attend Class		
11:10 – 11:35 am	Attend Class (non-project students) Eat Lunch (project students)	12:30 – 12:55 pm	Attend Class
		1:05 – 1:30 pm	Attend Class
		1:40 – 2:00 pm	Attend Closing Rally

Lunch: Students may bring a sack lunch, or purchase lunch from Jamestown College for \$4.25 per person. Lunch will include: soft shell taco, nachos and cheese, salad bar, dessert and a beverage. **Pre-registration for lunch is required!** Payment should be made to Jamestown College, in the lunch line. Sack lunches can be stored in the Nafus Student Center.

Class A: How Drugs "Operate" in the Body.

Become an amateur doctor as you help the presenter by operating on the patient and exploring the effects of drugs throughout the body. Learn the difference between medicine and illegal drugs, and how you can keep yourself safe.

Class B: You've Got the Dollars, Have You Got the Sense?

Knowing how to manage your own money will give you a huge boost in the world of business. And you can start NOW! You need a good foundation of how to plan a budget (and stick to it!) that includes spending, saving, investing, and giving. With that knowledge, tackling business expenses and income, pricing of products and services, and many other things will be easier for you and you'll be more successful!

Class C: Wired for Success!

Fast growing sites like Facebook, Twitter and YouTube are taking the net by storm. They're fast, free, and best of all, fun! But did you know they can be used for more than talking with friends? In this class we will show you how to use networking sites to start your very own business and how to stay safe while doing it. So take a trip with us through cyber space. The destination is your future! *This class will cover social networking sites such as Facebook.*

Class D: KidWind.

Did you know that North Dakota is the windiest state in the United States? It is! What can we do with all that wind? Wind has the power to shape the face of the earth. People use wind to sail kites, push boats and sometimes surf! We can even use wind to make electricity for entire cities. In this class we will see how we can use wind to make our lives easier. Join us to learn about wind turbines, wind farms and more!
(This class will be two class periods. At the request of the presenter, this class size will be limited.)

Class E: Build-a-Bot. A Robot That Is!

Hurry up and gather 'round for a chance to see the coolest robots in town! Step into our robotics laboratory and learn all about robots. We'll teach you how a robot works and how you can set up a robotics team at your very own school. You'll even get a chance to touch and see a real working robot. You won't want to miss this class!

Class F: Blast Off with Biofuels.

Imagine powering a car, boat or airplane with something that you grew in your garden. Does it sound too good to be true? People do it every day with the help of biofuels. Biofuels are fuels that come from plants and other natural sources. Race car drivers use them every day and chances are so do your friends and family. This class will help you learn all about biofuels. You might be the future inventor of a super biofuel that will power the race cars of tomorrow! *(At the request of the presenter, this class size will be limited.)*

Class G: 119 Fun and Exciting Business Ideas!

Do you like to make money? Do you like to have fun? If so, this is the class for you. Making money can be exciting and rewarding if you know how to do it. Join our class and we will teach you 119 exciting things that you can do to make money.

Class H: Friends of the Forest.

Trees and forests give us many products that improve our lives. We use forest products for food, building materials and paper. Selling special forest products is an opportunity to earn extra money while providing a useable product that doesn't hurt the environment. Special forest products may include food like fruits and nuts; decorative items like Christmas trees and flowering branches; craft products like bird feeders and potpourri; medicines and herbs; or woody biomass for fuel. Participants will make and take home a bird feeder made from a pine cone. *(At the request of the presenter, this class size will be limited.)*

Class I: Advertising: What's Your Sign?

Have you ever wondered why businesses come up with those cool ads to promote their new product? Well, let's check them out! Jamestown DECA members will show you the different types of advertising you see every day, and even help you design your own.

Class J: Fitness for the Fun of It!

Learn fun ways to be fit and make healthy food choices!

Class K: Mr. Potato Head's Nightmare!

Travel on an adventure with Mr. Potato Head through a potato processing facility that makes fresh french fries.

Class L: Broadcasting (In and Out) of the Classroom.

Come to this class and see what's behind the voices on the radio.

Class M: A Day in the Life of a Veterinarian.

This class will give an in-depth view of veterinary medicine by showing different animal species and the surgeries and procedures performed on these species.

Class N: Code Blue!

Nurses work to promote good health and prevent illness. They educate patients and the public about various medical conditions, treat patients, and provide advice and emotional support to patients' families. Join this class to learn all there is to know about nursing. Find out if this profession is for you!

Class O: Dr. Wink.

"It was the winter of 1888. Dr. Helena Knauf Wink steered her exhausted team of horses toward Jamestown, her home in the Dakota Territory. Her sleigh had overturned twice in the wild morning ride through falling snow, but she arrived in time to save the baby. When she finally reached home, a settler from miles out on the prairie was waiting. A family was sick and needed her." This is just one of the many adventures of Dr. Wink. Join this class and be part of a living history performance!

Class P: Create Your Own Website!

Do you have an invention or project that you think others would like? Do you have an idea for a business? Join in this class and learn how to create your very own web page. You'll have fun and you'll discover how a web page can be a powerful tool to advertise your invention, project, or business 24 hours a day! *(At the request of the presenter, this class size will be limited.)*

IMPORTANT MESSAGES FROM MARKETPLACE FOR KIDS!

Get Started on your Projects!

Marketplace for Kids has new tools to assist you, your students, and their parents in developing a project. These tools include:

- Get Started on Your Projects – Student Tutorial
- General Timeline for Completion of Projects (A Guide for Teachers, Parents & Students)
- Am I Ready to Share My Project? (Checklist)
- It's Time to Work on Your Projects! (Classroom Poster)
- Marketplace for Kids Brochure (complete overview of the program)
- Marketplace for Kids Parent Brochure (region specific, perfect to send home with students)

Marketplace for Kids also has volunteers ready to visit your classroom and help students with their project or provide more information to teachers. The tools are available online at www.MarketplaceForKids.org. If you would like to schedule a classroom visit, or order hard copies of the tools, please contact marketplace@btinet.net or call Audrey at 888-384-8410.

Presentation Boards are Available!

Three-panel, white, corrugated presentation boards are available for purchase through Marketplace for Kids. Prices include shipping/handling. **NOTE: The minimum order is SIX boards.** Order online at www.MarketplaceForKids.org or contact Renee at 888-384-8410 or marketplace6@btinet.net.

- Small Board (48" x 18") \$3.00
- Large Board (48" x 36") \$3.50
- Display Header (for large board) \$2.00

Grant Funds Available!

The ND Department of Career & Technical Education has grant funds available to public schools through the Regional Education Association's (REA) for students showcasing a project at Marketplace for Kids.

For more information, contact your REA, or Kevin Reisenauer at 701-328-3180 or kreisena@nd.gov.
